Colonel Dedication

High school plays an important role in the development of a person's ability to accept responsibility and face problems. This experience provides a challenge that few take full advantage of. One of our classmates has met hardship to a marked degree. In spite of handicap, he has maintained a schedule of studies and devoted a great amount of his spare time to the sports program at Battleboro Union High School. In appreciation for his years of dedication and accomplishment, we, the senior class, are proud to dedicate this edition of the "Colonel" to Rod Finnell. He has been a constant source of inspiration to us all.

John Smith: In Memoriam

As our formative high school days draw to a close, we can look back on many experiences during our six short years here at Brattleboro Junior and Senior High School. Although the years may someday corrode our memory of these experiences and the people who made them happen, they can never erase the role which they have played in forming our adult personalities. One experience we have had, however, will never be dimmed by Father Time. During our eighth grade year here at Brattleboro High, our lives were saddened by the loss of a close and dear classmate. It has now been five years since the death of John, and supposedly we have matured enough in the span of those five years to be able to realize exactly how much John Smith meant and still means to each one of us. Destiny had a plan for John Smith, and according to that plan he was destined to die at the early age of thirteen. His spirit remains among us, for whenever we think of him we can not help but recall his easy-going manner and likable personality. But deeper, much deeper than that, we must wonder what destiny holds in store for us; and then we must search our own souls and ask the question: When the day comes on which God has willed our lives to end... will people remember us the way we remember John Smith?

President's Address

"In this short life
That only lasts an hour
How much — how little — is
Within our power"

Four years ago we took our first toddling steps on the path of our high school education. We were infant freshmen, faced with the prospect of entering the unfamiliar world of a large high school. Curiosity, blended with cautious fear, filled us with anticipation of the problems and challenges that we were likely to meet. One path, that which wound its way through the corridors of Brattleboro High, loomed large before us, a path which we felt would end on graduation night in the year 1974.

Tonight is that graduation night of which we dreamed as freshmen. Although our days as active students have come to an abrupt end, the path on which we embarked four short years past is far from ending. It has come to a crossroads, a point at which it branches off into areas until now untraveled.

We realize now that we are not at the end; we are at the beginning. Before us lie many paths — each winding its unique course through life's wilderness — each holding unforeseen problems for the destined traveler.

We face a moment of decision as we stand at this crossroads in our lives. The decisions we must make tonight and in the near future will prove to be monumental in achieving our lives' goals. The questions confronting us this evening are two-fold. These questions we must answer soon, for one who is just starting out on a journey, must first have the belief that he knows where he is going.

First of all, which of life's many paths is for us? This decision is in the hands of each of us as individuals. Hopefully, in our four years of high school we have formulated some idea as to where our future goals lie. We can either choose to accept a path trod by many through time, or we can decide to reach new horizons unmarked by the blazes of men who have preceded us.

Knowing the direction of our chosen path, we must decide how we are going to travel it. We can accept life as it is or we can determine to make of it what we want.

It is still a harsh world, where the cruelties of nature and of man are rampant. Some of us may come to grief and disappointment. Favoritism and luck may play their sordid parts and block the path. Let us not, however, become disillusioned. Even in view of these oppressions, we must not strive for security alone. Security is mostly man's superstition; it does not exist in nature. Instead, let us strive that we might learn to respect the meaning of life.

As we have been taught, let us strive to teach those who are to come after us. Let us not forget to provide the foundation of happiness for those whose paths will lie in humble valleys and for those whose thoughts may indeed culminate in deep wisdom.

Perhaps the greatest single lesson that we could have learned from our secondary school education is that life, like education, is rewarding only to the extent that it is pursued; not to the extent that it is endured.

As we prepare ourselves to go on in the struggle that lies ahead, we must remember that success is not confined to any one part of one's being, but is related to the development of all parts: body, mind, heart, and spirit. In this interrelationship lies real power.

Tonight, as we bid our final farewells to Brattleboro Union High School, let us not look back with longing, rather, look ahead with commitment. Commitment to ourselves, to our fellow man, and to the principles and ideals which we, the graduating class of nineteen hundred and seventy-four, hold most dear.

We are here this evening, not only to recognize our high school accomplishments, but to pay tribute to the many people who have influenced our development throughout our high school days. As we are a part of all we meet, they are a part of us.

Many years ago, the poet Emily Dickinson summed it up well when she wrote:

"In this short life
That only lasts an hour
How much — how little — is
Within our power"

With a feeling of gratitude and appreciation on behalf of the graduating seniors of 1974, I welcome you to the twenty-first commencement exercises of Brattleboro High School.

Class Song:

Imagine

Imagine there's no heaven
it's easy if you try
no hell below us
above us only sky
imagine all the people
living for today...

Imagine there's no countries
it isn't hard to do
nothing to kill or die for
and no religion too
imagine all the people
living life in peace...

Imagine no possessions
I wonder if you can
no need for greed or hunger
a brotherhood of man
imagine all the people
sharing all the world...

You may say I'm a dreamer
but I'm not the only one
I hope someday you'll join us
and the world will be as one

Under the coaching of Mr. Tenney, this year's Varsity Baseball Team posted a 5-9 record. They fought long and hard for the success they gained. Seniors who are leaving the team include Jim Barrett, and Grady Vigneau, both of whom received coaches' awards, and co-captains Kirk Nims and Bill Grass. With eleven juniors returning to the squad, Coach Tenney will be hoping for improvement next year.

Golf Team

For the first time ever, girls and boys together represented our school in a varsity interscholastic sport. Michelle Ducharme and Sue Storey together with John Dewitt, Craig Dunham, Jim Hill and Peter Richardson made up the 1973 Colonel Golf Team. The team, coached by Mr. Anderson, finished the season with a record of thirteen wins, seven losses, and a third place in the Southern Vermont Championship playoffs.

Row 1: P. Richardson, M. Ducharme, S. Storey, C. McCormick. Row 2: J. DeWitt, J. Hill, C. Dunham, J. Hill, Coach Anderson.

The 1973 Varsity Track Team, coached by Mr. Freeman and assisted by Mr. Martin Lapan, displayed their fine skills by winning seven of their eight meets and by earning a second place in the Southern Districts, just six points behind the winner, Rutland.

Brattleboro was well represented in the state meet by seven of the eight seniors and also sent Joe Gembarowski and Jeff Sather, two of their finest hurdlers, to the New England meet. The team's eight seniors, Joe Gembarowski, Doug Hunt, Joe Jewett, Will Stockwell, Ed Tetreault, Rick Wright, Steve Zaluzny, and Mark Ziter, all served as captains. The Colonels hope to continue in the same manner next season with the strong underclassmen forming the nucleus of the new team.

Girls' Track

Row 1: D. O'Brien, A. Shields, B. Chan, L. Gilson, M. Briggs, J. Howe, P. Lane. Row 2: D. Corbell, B. Fowler, L. Guthrie, B. Sykes, K. Sykes, S. Barrett, L. Clark, N. Corwin, Coach Kowecki.

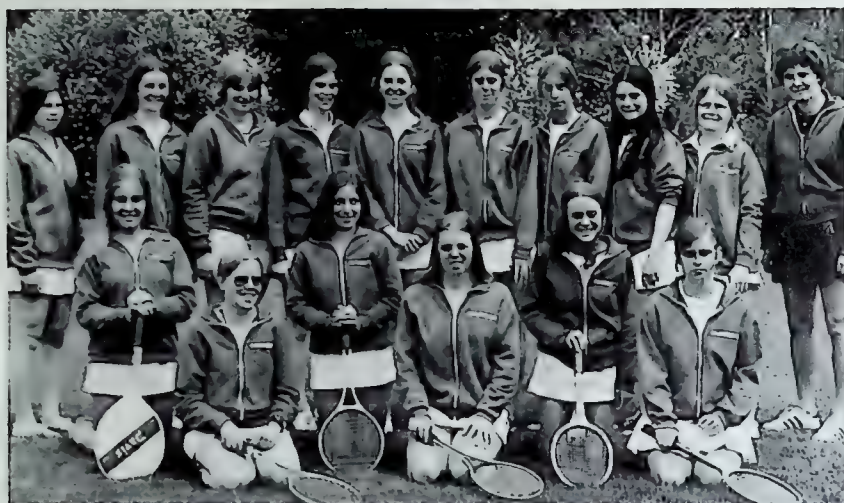

For the first time in history, B.U.H.S. was represented by a girls' track team. The girls showed a lot of promise in their first year of competition.

The team had one senior this year, Captain Becky Sykes who was their only representative in the state meet. In their first year of interscholastic competition, Miss Kowecki, a graduate of Keene State College, guided the squad to a final record of two wins and two losses.

The 1973 Girl's Tennis Team marked their fourth consecutive undefeated season by finishing with a 9-0 record and went on to capture the First Annual Girls' State Championships held in Essex Junction.

Representing Coach Ozdarski's Colonelettes in the tournament were Anne Burrows and Helen Burgess playing singles, Vicki Leclaire and Trixie Wessel playing doubles. Alternates also making the trip were Cindy Jones and Pam Long. Seeded second, Brattleboro overpowered the South Burlington team 3-0, and Burlington 2-1. They then came against first-seeded Champlain Valley Union in the finals. Splitting the beautifully played singles matches, the outcome of the tournament was up to the result of the doubles match, which the girls won for Brattleboro.

The team will be without the services of seniors Anne Burrows, Vicki Leclaire, and Billi Sand, but will have many talented underclassmen returning in 1974 to defend their title.

Varsity Boys' Tennis

The Varsity Boy's Tennis Team, coached by Mr. Finck, finished their 1973 season with six wins and seven losses. Led by seniors Paul Ballou, Dave Billard, and Mike McNerney, the team won the Southern District meet by overpowering Vermont Academy 16-2, and defeated Montpelier in the State Meet before falling to a strong Burlington team.

With most of the experienced underclassmen returning, the team hopes to finish their 1974 season with more success in their overall record.

Boys' State

Boys' State

Norwich University Campus was the location for the 1973 Boys' State Assembly. The first week of summer vacation for Arne Hammarlund, Bruce Stockwell, Paul Kenworthy, Chris Chapman, Craig Dunham, Joe Hill, Mike Martino, Bruce Bryant and Dave Perkins commenced with a week's stay with two hundred and fifty fellow delegates from all over the state.

State government was the topic of the week. Every aspect of government from town to county government was discussed. Joe Hill was one of the two delegates selected for Boys' Nation. Dave Perkins was elected State Auditor. Everyone participated in the Senate and the House which convened during the week.

Most of the boys had a great time competing against different boys from around the state. New friends were made.

Girls' State

Girls' State

Every year, five junior girls are chosen by their classmates and the BUHS faculty to attend Girls' State. They spend the week after school's out at Vermont College in Montpelier with girls from other schools in Vermont. They participate in campaigning and elections to set up their own Girls' State government. Many guest speakers were there including Governor Salmon. The week ends with a dance at Boys' State. Representing our school and holding various Girls' State offices were: Donna Baldwin, Federalist Party Chairman; Mary Ballou, County Sheriff; Nancy Hunter, Town Representative; Sue Storey, Mailman; Priscilla Minott, District Attorney.

Model United Nations

On April 9, 1973, The Model United Nations began an eventful week under the supervision of Mr. O'Brien.

The week started off with committee meetings, and the assemblies during which they discussed the bills which had passed. Approximately 250 students participated with Chuck McFarland, Chairman of General Assembly; Bill Grass, Chairman of Security Council; Judy Barber, Secretary; Nancy Corwin, Parliamentarian; and Ron Mastaler,

Secretary General.

The Steering Committee consisted of Paul Ballou, Patty Druke, Scott Perry, Jane Porter, Mark Ziter, Tim Arsenault, Donna Baldwin, Chuck Conn, Priscilla Minott, and Dave Perkins.

The week ended Friday, April 13, 1974, with George Young from S.I.T. as guest speaker. Mr. Young spoke on the need of Nations to work together.

1973 Junior Prom

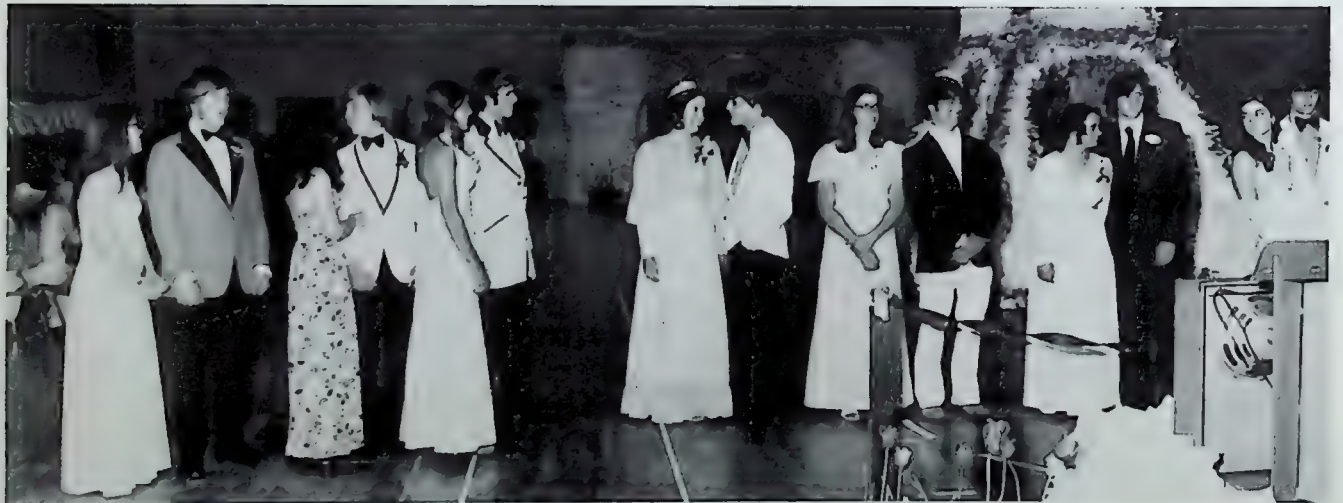

"Springtime in Paris" was the theme for the successful prom sponsored by the 1974 Junior Class.

Couples entered the gymnasium through the Arc de Triumph and into the gorgeous Paris setting. Murals of small castles and rivers were designed by members of the Junior Class. The Eiffel Tower was the center of attraction in the middle of the dance hall.

The queen and her escort were crowned at the enchanting hour of ten o'clock by the Leo Daniel's Band. Seated in the queen's chair was Sylvia Spencer with her escort Arthur MacMurray. Attending them were Janice Stone and David Brewer, Kori Vinton and Jim Kenison, Sharon Wojcik and Earl Bressette, Donna Baldwin and David Perkins, Connie Armento and David Kinsinger, Lorenda Boyd and Lee Bartlet.

In 1920 the National Honor Society was founded. It is an organization intended to give recognition to students who maintain a high scholastic average while participating in many extracurricular activities of the school. An average of 85 is necessary for seniors and 88 for juniors. The faculty elects the students who comply with these requirements.

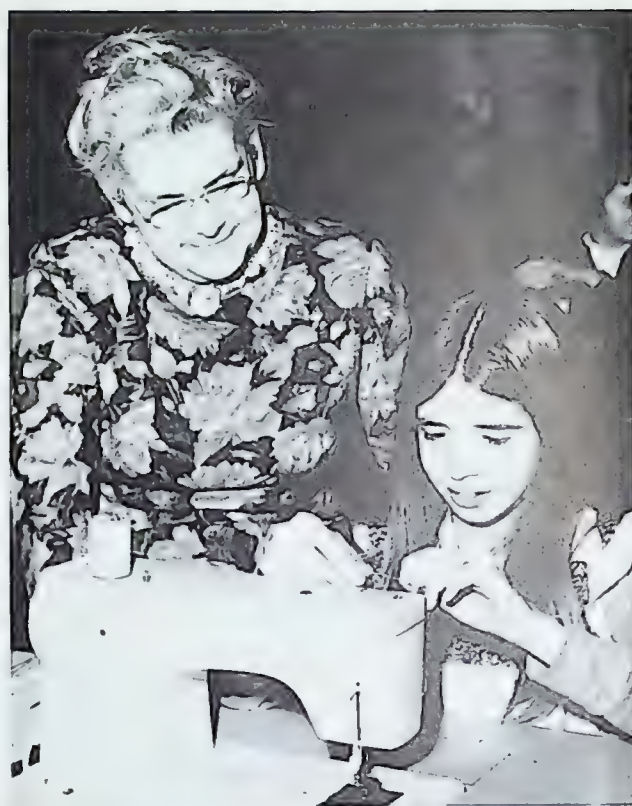

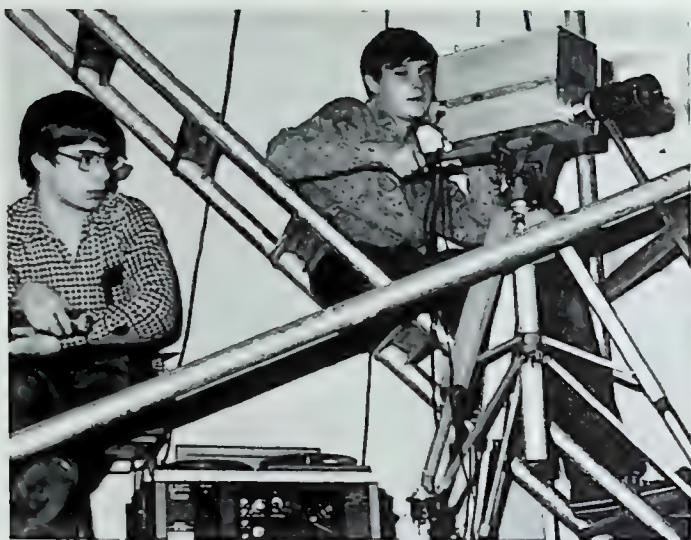

The National Honor Society proudly accepted 16 juniors in the April induction of 1973.

Sherman Prize Speaking Contest

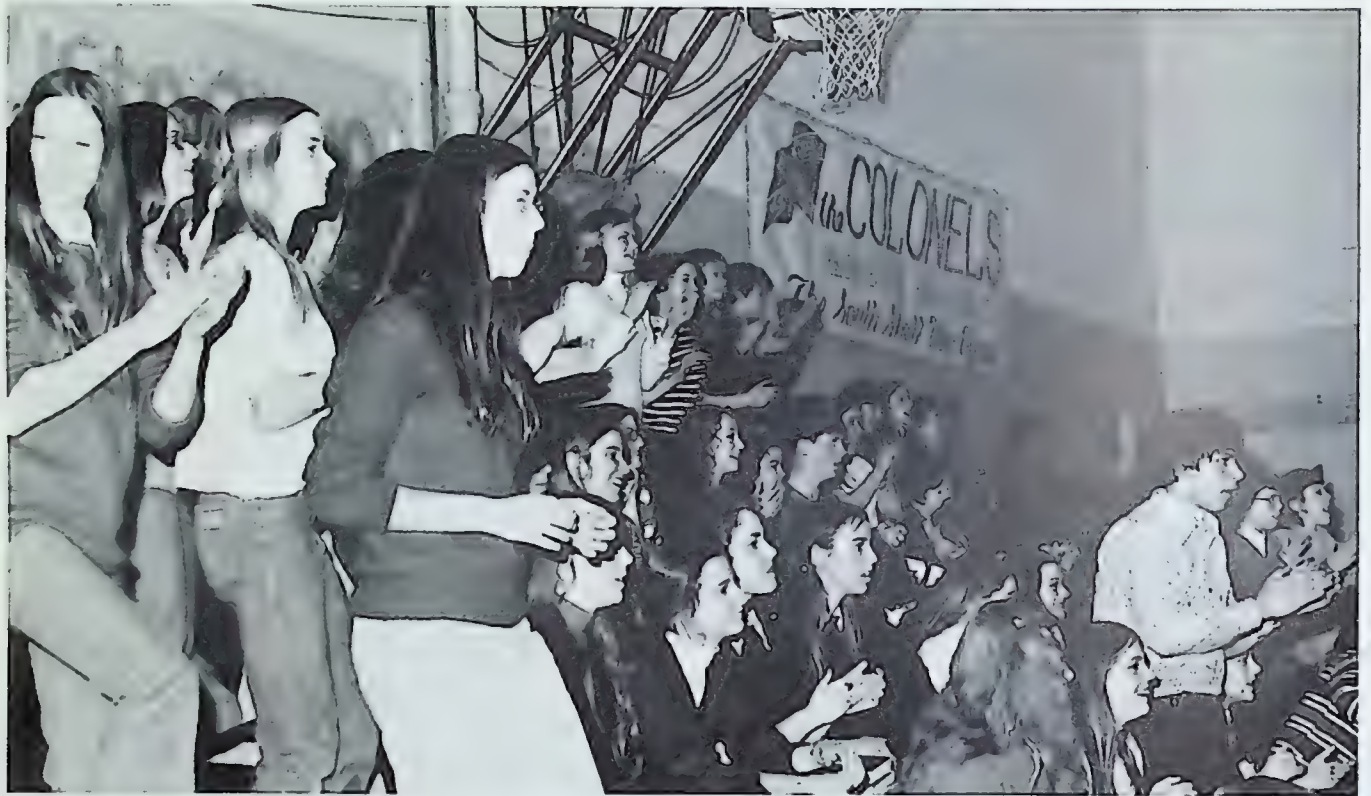

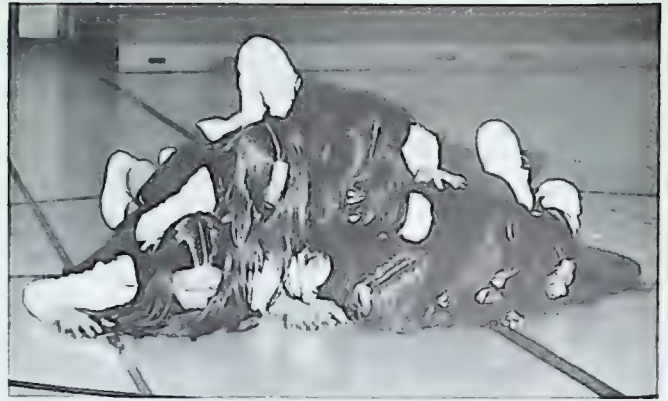

The 1972-73 Sherman Prize Speaking Contest proved once again to be one of the most enjoyable assemblies. The participants from this contest were from the sophomore, junior, and senior classes. Under the supervision of Mrs. Wagner, each speaker performed admirably. Although the choice was difficult, the judges reached this decision: Mike Martino first place; Chris Rohn second place; and Mark Ziter third place.

Division I State Champions

The 1974 Varsity and JV Football Squads

Playing the best football Brattleboro has seen in years, the 1973 Colonel Varsity Team reached its goal by winning the title of Vermont State Division I Champions in an exciting game played at UVM's Centennial Field in Burlington.

Early in the season this close-knit, dedicated team fought hard and was rewarded with three non-conference shutout victories and was ready for the Rutland High Raiders, the pre-season pick to repeat as the Southern Vermont Conference Champion. Brattleboro spirit was running high, and the Colonels defeated the Raiders with a great display of skill. After victories over Springfield and Bellows Falls, the undefeated Colonels traveled to St. Peter's Field in Rutland to meet M.S.J., another contender for the SVC crown. Falling to a heart-breaking 14-18 defeat, the Colonels were not yet out of the running. With a convincing victory over Mt. Anthony coupled with a Rutland defeat of M.S.J., the Colonels won the right to represent the south in the State Championship game. The Colonels defeated Bellows Free Academy of St. Albans 28-0, in a near-perfect display of teamwork, posting the first shutout in the three year history of the state play-offs.

We hope to see all these boys returning next year.

This years Varsity Soccer team had the best season in the history of Brattleboro High School Soccer. The team, compiling a 4-3-5 record, fell just short of a .500 season, a score which would have qualified them for state championship competition.

Coaching again this season was Mr. Anderson, and the team was co-captained by Peter Mumford and Arne Hammarlund. The team will lose nine seniors, but there are many talented underclassmen to take their places. Those seniors leaving are Ray Blow, Robert Cassidy, Mike Dearborn, Torrey Ellis, Steve Fletcher, Arne Hammarlund, Jeff Newton, Peter Mumford, and Scott Shaw.

The Varsity Field Hockey team, with another good year, finished their season with six wins, one tie and four losses.

In the quarter playoffs, they tied with Mt. Anthony but lost the game on short corners. Miss Jondro enjoyed working with this year's team. She said that the girls were excellent hockey players, and that the team put forth great effort. With ten members of the team graduating, many new faces will appear next year.

Mrs. Minott coached the 1973 J.V. Field Hockey team. She feels that the team had a good season this year and is happy that the girls played so well together. She attributes this to the two different squads she used during the season, with each squad playing as a team. The team ended their season with one win, four losses, and two ties. Out of the seven games Brattleboro played, the girls scored five goals while their opponents scored nine goals.

This year we were honored with a visit from Lieutenant Governor Burgess. He explained the plans for the Bi-Centennial observance local and state wide. One of the plans involves steam train excursions within the state boundaries. Brattleboro plans to build a civic center on the banks of the Connecticut River which will be both cultural and recreational in purpose.

1973 Variety Show

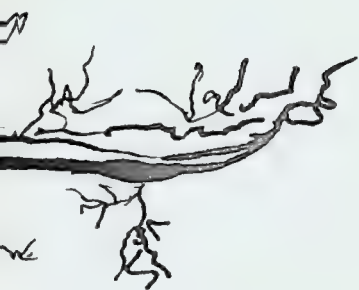

This year's Variety Show was held on November 10, 11, and 12. The show started with a bang featuring Doug Howard as master of ceremonies. The highlights of this year's show were "The Green Mountain Boys," the junior and senior high majorettes, "Sath and Company," and the senior act presented by members of the senior class singing a song composed by them. The show came to a close with the participants of the show appearing with "The Green Mountain Boys." This show would never have been a success if it wasn't for the fine planning and help of Sue Storey, Miss Travers and Doug Howard.

Varsity Basketball

Kneeling: J. Sather, P. LaFlamme. Standing: Coach Freeman, D. Perkins, D. Benton, R. Meyer, J. Payne, J. Egbert, S. Barrett, P. Decoteau, Manager C. Conn.

The 1973-74 Varsity Basketball Team, coached by Mr. Freeman, had one of the better seasons of recent Colonel teams as they played a strong fourth in the Southern Vermont League standings.

Led by the high scoring of co-captains Pete LaFlamme and Jeff Sather, the Colonels played skillful and determined basketball throughout the season finishing with an 11-9 regular season's record, including a 7-7 total in the SVL.

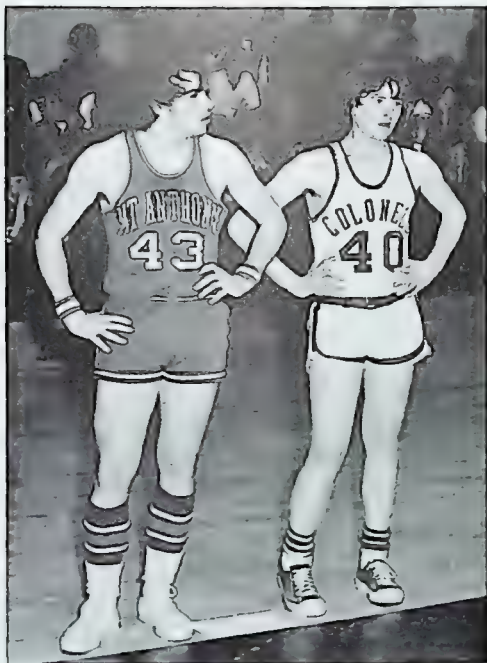

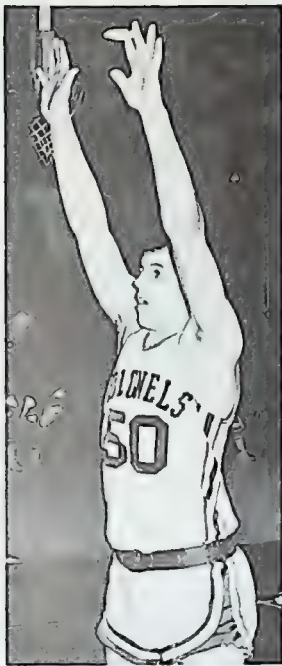

Playing as well as any team in the league, the Colonels defeated each of their opponents at least once with the exception of Rutland and state champion Mt. Anthony. They fell to the Patriots by only one point after an unforgettable last quarter comeback.

The Colonels qualified for a playoff position with their eighth victory. However, the Bellows Falls Terriers stopped them from advancing further in state tournament competition by defeating the Brattleboro team in a first-round playoff game.

With only Rod Meyer, Dave Perkins, Doug Benton, and Pete LaFlamme graduating this year, next year's season looks very promising with the return of several talented varsity and junior varsity players who will work together toward another outstanding season for Brattleboro.

The 1973-74 Junior Varsity Basketball team ended a very successful season with a record of 13 wins and 7 losses. Coach North and the boys worked very hard throughout the season and showed great improvement in their game. Their successful year included winning the Brattleboro JV Christmas Tournament over three other very strong teams. The excellent display of talent shown over the season promises to be a great help to next year's varsity team.

This year, when the Junior and Senior High Choruses resumed their scheduled classes, they found many new changes. Not only were there new members in the choruses, but also a new music director, Miss Travers. Under the leadership of Miss Travers, who conducts 7th and 8th grade choruses, Freshman Glee Club, and Senior Chorus, the members of these choruses spent many long, hard hours rehearsing for the concerts and programs presented throughout the year. In addition to the annual Variety Show, a Christmas concert and a spring program were also given.

Though limited in membership, quality is not absent, and Miss Travers is working for many more successful years.

BUHS Junior and Senior High Bands

This year's BUHS marching band has worked diligently under the supervision of Mr. Simonds to improve their skills and gain public recognition. One could be sure to find the band at every football game cheering for our Colonels and

adding a special show at half-time. Mr. Simonds hopes to assemble a jazz-rock ensemble and his long-range plan is to have the marching band number one-hundred persons within the next two or three years.

This new club is designed to help young people obtain a basic understanding in the art and science of growing vegetables, fruits, flowers, and ornamental plants, and an understanding of nature and the environment in which they live.

DECA

The Brattleboro chapter of the Distributive Education Clubs of America is one of fifteen chapters in Vermont. The group, advised by Mr. Hurley, meets during their Distributive Education class. The basic philosophy behind the organization is that anyone who is interested in any field of distribution can obtain useful experience and information through DECA. One of the major events of the year occurs in March when the Vermont chapters meet in Montpelier for an all day conference. Members of the chapters compete in a wide variety of contests including spelling, advertising, radio announcing, job interviewing, and poster making.

Sr. High and Jr. High FHA

The FHA works for three main functions: to reach out for goals, to be involved today in order to experience tomorrow, and to obtain knowledge. Under the direction of Mrs. Ellor and Miss Lyman, the members sell stationery and refreshments and wash cars. The money is used for the State Convention in spring. They also do various odds and ends for the disabled and handicapped around the community. For added pleasure, the girls take bike hikes during the summer.
